This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

Great care has been exercised to avoid errors in the preparation of this work, but should any be discovered, it is earnestly requested that information concerning them be promptly given to the Adjutant-General, that they may be corrected in the "Errata," which will appear in the last volume to be issued—to be known as "Volume I."

The Legislature, at its last session, passed on February 20, 1888, the following law (H. B. No. 67), to amend section two of an act entitled an act to provide for the publication and distribution of the Roster of Ohio Soldiers, passed May 12, 1886, and amended February 3, 1887, which reads as follows:

SECTION 1. *Be it enacted by the General Assembly of the State of Ohio,* That section two of the above-mentioned act be so amended as to read as follows:

SEC. 2. The distribution of said volumes shall be under the direction of the Adjutant-General, and shall be as follows:

To each Member of the Sixty-Seventh General Assembly, twenty copies of each volume, inclusive of copies already received, and each Member of the Sixty-Eighth General Assembly, twenty copies of each volume; but when any Member of the Sixty-Seventh General Assembly becomes a non-resident of the county, or district he represented, the said copies of each volume may be drawn by his successors.

To the Roster Commission, twenty-five copies of each volume.

To the Adjutant-General, for distribution to the Adjutant-General of each State and Territory, and proper officials of the War Department at Washington D. C., sixty copies of each volume.

To each of the State officers of Ohio, and to each of the various State departments and institutions, one copy of each volume.

To the State Library, fifty copies of each volume for exchanges, and ten copies of each volume to be retained permanently therein.

To each public library of an incorporated city or village of the State, one copy of each volume.

To each post of the Grand Army of the Republic, and to each command of the Union Veterans' Union, on condition that if the post, camp or command be disbanded at any time, the same shall be returned to the State Library, one copy of each volume; and to the Department of Ohio Grand Army of the Republic, and Loyal Legions, each one copy of each volume; and to each camp of the Sons of Veterans, on condition that if the camp be disbanded at any time, the same shall be returned to the State Library, one copy of each volume.

To each County Recorder, to be by him kept in his office and transferred to his successor as other public records, one copy of each volume.

To each Township Clerk, to be by him kept in his office and to be transferred to his successor, one copy of each volume.

To each Clerk in the Roster Department, one copy of each volume; *provided,* that any distribution herein provided for shall be inclusive of copies of volumes already distributed under former laws.

The remainder of said copies, after such distribution, shall be placed on sale by the Adjutant-General, at a price not exceeding one dollar per volume. He shall keep a record of such sales, and shall, at the end of each quarter of the fiscal year, pay into the State treasury the sum received, until all of said volumes are sold, unless otherwise directed by the General Assembly; *provided,* that he shall not sell more than one copy of each of said volumes to the same person.

SEC. 3. That section two of said act, passed May 12, 1886 (83 v. 146), as amended February 3, 1887, is hereby repealed.

SEC. 4. This act shall take effect and be in force from and after its passage.

Under provisions of law the Commissioners of Public Printing, together with the Adjutant-General, awarded the contract on May 25, 1888, for furnishing four volumes, 10,000 copies each, to the Ohio Valley Press, Cincinnati, O., at 84½ cents per volume. Much credit is due this company for the handsome manner in which the work has been executed, both in printing and binding.

144th Regiment Ohio Volunteer Infantry.

ONE HUNDRED DAYS' SERVICE.

THIS Regiment was organized at Camp Chase, O., May 11, 1864, to serve one hundred days. It was composed of the Sixty-fourth Battalion, Ohio National Guard, from Wood County, and the Nineteenth Battalion, Ohio National Guard, from Wyandot County. The Regiment was ordered to report, without delay, to General Wallace, at Baltimore. Upon its arrival in that city Companies G and K were detached for duty in the fortifications, and the remainder of the regiment reported to General Morris, at Fort McHenry, and from there Company E was ordered to Wilmington, Del.; Company B to Camp Parole, near Annapolis; and Company I to Fort Dix, at the Relay House. On the 18th of May the Regiment was relieved from duty at Fort McHenry, and ordered to the Relay House. Companies B, G, and I, were in the engagement at Monocacy Junction, losing in killed, wounded, and prisoners, about fifty men. On the 13th of July the Regiment was ordered to Washington, and from there moved toward Winchester. It halted at Snicker's Gap, and was moved back toward Washington, but it was soon again faced toward the Shenandoah Valley, moving via Harper's Ferry. On the 13th of August a portion of the One Hundred and Forty-fourth, while guarding a train near Berryville, Va., was attacked by Moseby's command with two pieces of artillery. The detachment lost five killed, six wounded, and sixty captured. The Regiment was mustered out Aug. 24 and 31, 1864, on expiration of term of service.

149th Regiment Ohio Volunteer Infantry.

ONE HUNDRED DAYS' SERVICE.

THIS Regiment was organized at Camp Dennison, O., from the 8th to the 11th of May, 1864, to serve one hundred days. It was composed of the Twenty-seventh Regiment, Ohio National Guard, from Ross County, and the Fifty-fifth Battalion, Ohio National Guard, from Clinton County. On the 11th of May the Regiment left the State for Baltimore, Md. Upon arrival it was assigned to duty at various forts in and around the city, and remained there until the 29th of May, when it was ordered to the eastern shore of Maryland, and distributed at different points. About the 4th of July the Regiment was ordered to Monocacy Junction, and on the 9th took part in an engagement with the enemy. The Regiment lost in killed and wounded about thirty, and in prisoners over one hundred. After the battle of Monocacy it took part with the Sixth and Nineteenth Corps in the marches in Maryland and Virginia. Portions of the Regiment were with the One Hundred and Forty-fourth when it was attacked by Mosby's guerrillas, at Berryville, Va., Aug. 13. The Regiment returned to Ohio Aug. 20, 1864, and was mustered out on the 30th, on expiration of its term of service.

151st Regiment Ohio Volunteer Infantry.

ONE HUNDRED DAYS' SERVICE.

THIS Regiment was organized at Camp Chase, O., May 13, 1864, to serve one hundred days. It was composed of the Thirty-third Regiment, Ohio National Guard, from Allen County, and the Fifty-seventh Battalion, Ohio National Guard, from Hocking County. On the 14th of May the Regiment left Camp Chase for Washington City, via Ohio Central and Baltimore Railroads. It reached Washington on the 21st of May, and reported to General Augur. The Regiment was first stationed at Forts Sumner, Mansfield, and Simmons. During the active operations of the Rebels against Washington, on the 11th and 12th of July, the larger part of the Regiment was under fire. Several of the companies were in the forts which were engaged in the battle. Companies C and G were at Fort Stevens, Company I at Battery Smeade, and Company K at Fort Kearney. On the 17th of August orders were received to concentrate the Regiment at Fort Simmons. From this place the Regiment moved, via Baltimore and Pittsburg, to Camp Chase, where it arrived on the 23d. It was mustered out August 27, 1864, on expiration of its term of service.

152nd Regiment Ohio Volunteer Infantry.

ONE HUNDRED DAYS' SERVICE.

This Regiment was organized at Camp Dennison, O., from the 8th to the 11th of May, 1864, to serve one hundred days. It was composed of the Twenty-eighth Regiment, Ohio National Guard, from Darke County, and two companies of the Thirty-fifth Regiment, Ohio National Guard, from Clarke County. The One Hundred and Fifty-second left Camp Dennison about the middle of May, 1864, and on its arrival at New Creek, W. Va., went into camp, where it performed guard and picket duty. From New Creek the Regiment marched to Martinsburg, and on the 4th of June started for the front. It reached Beverly, Va., on the 27th of June. During this march the Regiment was twice attacked by the Rebels. After resting a couple of days at Beverly the Regiment started for Cumberland, Md., where it arrived on the 2d of July. From here detachments were sent to various points. They returned to Cumberland about the last of July, where they remained until the Regiment received orders to return home. On the 25th of August the One Hundred and Fifty-second left Cumberland for Camp Dennison, where it arrived on the morning of the 28th. It was mustered out Sept. 2, 1864, on expiration of its term of service.

163rd Regiment Ohio Volunteer Infantry.

ONE HUNDRED DAYS' SERVICE.

This Regiment was organized at Camp Dennison, O., May 10, 1864, to serve one hundred days. It was composed of the Forty-first Regiment, Ohio National Guard, from Clermont County, and a part of the Thirty-fifth Regiment, Ohio National Guard, from Clarke County. The Regiment immediately started for Harper's Ferry, W. Va. The greater part of May and June was consumed by the Regiment in performing guard duty at Harper's Ferry and along the line of the Baltimore and Ohio Railroad. In the latter part of June it was ordered to join General Butler's forces, at Bermuda Hundred, and hold itself subject to his orders. A detachment of the Regiment was engaged with the enemy at Hammack's Mills, North River, W. Va., on July 3, 1864, and lost several officers and men, killed and wounded. It was mustered out September 9, 1864, on expiration of its term of service.

154th Regiment Ohio Volunteer Infantry.

ONE HUNDRED DAYS' SERVICE.

THIS Regiment was organized at Camp Dennison, O., May 9, 1864, to serve one hundred days. It was composed of the Twenty-third Battalion, Ohio National Guard, from Madison County, and the Sixtieth Regiment, Ohio National Guard, from Green County. On the 12th of May the Regiment proceeded, via Columbus and Bellaire, to New Creek, W. Va., arriving on the evening of the 14th. On the 22d, Company F was ordered to Piedmont, W. Va., where it remained until the Regiment started to Ohio for muster-out.

The One Hundred and Fifty-fourth performed guard, picket, and escort duty until the 29th of May, when one company moved to Youghiogheny Bridge, and the remaining eight companies to Greenland Gap. On the 4th of June a detachment of the Regiment had a skirmish with McNeil's Battalion, near Moorfield. Detachments of the Regiment were sent out on various scouting expeditions from the 12th of June to the 4th of July. On the 25th of July the Regiment again fell back to New Creek. An attack was made by the Rebels on the forces at New Creek on the 4th of August. On the evening of the 22d the Regiment started for Ohio, arriving at Camp Dennison on the 27th, and was mustered out Sept. 1, 1864, on expiration of its term of service.

156th Regiment Ohio Volunteer Infantry.

ONE HUNDRED DAYS' SERVICE.

THIS Regiment was organized May 15, 16 and 17, 1864, at Camp Dennison, O., to serve one hundred days. It was composed of the Thirty-fourth Battalion, Ohio National Guard, from Preble County; Eightieth Battalion, Ohio National Guard, from Mercer County; and the Eighty-first Battalion, Ohio National Guard, from Auglaize County. On the 20th of May Companies A, B, C, D, E, F, and H, proceeded to Cincinnati, where they performed guard duty. Companies G, I, and K, remained at Camp Dennison, on guard and patrol duty, until Morgan appeared in the vicinity of Cynthiana, Ky., when they were sent to Falmouth, Ky. The seven Companies remained on duty at Cincinnati until July 18th, when the entire Regiment was brought together at Covington and moved to Paris, Ky. The Regiment was soon ordered to Cumberland, Md., arriving on the 31st of July, and went into camp near that city. On the 1st of August the Regiment had an engagement with the enemy near Folck's Mills, with slight loss. After this engagement the Regiment remained on duty at and near Cumberland until the 26th of August, when it was ordered to Ohio for muster-out. It was mustered out September 1, 1864, on expiration of its term of service.

161st Regiment Ohio Volunteer Infantry.

ONE HUNDRED DAYS' SERVICE.

THIS Regiment was organized at Camp Chase, O., May 9, 1864, to serve one hundred days. It was composed of the Seventieth Battalion, Ohio National Guard, from Tuscarawas County; Forty-third Battalion, Ohio National Guard, from Noble County; and one company of the Fifty-eight Battalion, Ohio National Guard, from Hancock County. The Regiment was immediately ordered to Cumberland, Md., where it arrived at noon on the 12th. On the 28th the Regiment moved to Martinsburg, W. Va., and on the 4th of June Companies A, B, D, F, and H, with other troops, were sent up the Shenandoah Valley with a supply-train for Hunter's Army, then supposed to be near Staunton. On reaching that place it was found that General Hunter had advanced, but they finally overtook him, at Lexington, on the 11th. They remained with the Regiment until it arrived at Lynchburg, when, having turned over the supplies, they were ordered back to Martinsburg. After considerable marching and guard-duty the Regiment fell back to Maryland Heights. Early on the morning of the 6th of July skirmishing commenced, and continued for two days, the One Hundred and Sixty-first taking an active part. On the 25th of August it was ordered to Ohio, and mustered out September 2, 1864, on expiration of its term of service.

162nd Regiment Ohio Volunteer Infantry.

ONE HUNDRED DAYS' SERVICE.

THIS Regiment was organized at Camp Chase, O., May 20, 1864, to serve one hundred days. It was composed of the Forty-fifth Regiment, Ohio National Guard, from Stark County, and one Company of the Fortieth Battalion, Ohio National Guard, from Brown County. Companies A, C, F, and K, were assigned to duty at Tod Barracks, near Columbus, O., and the remaining Companies were assigned to duty at Camp Chase, where they remained until they were ordered into Kentucky, to assist in repelling John Morgan. Several of the Companies were placed on duty in and around Covington, and the remainder of the Regiment moved down the river to Carrollton. After remaining at Carrollton a few days the Companies returned to Covington and performed post-duty. They recruited the One Hundred and Seventeenth Regiment, United States Colored Infantry. This Regiment was mustered out Sept. 4, 1864, on expiration of its term of service.

163rd Regiment Ohio Volunteer Infantry.

ONE HUNDRED DAYS' SERVICE.

THIS Regiment was organized at Camp Chase, O., May 12, 1864, to serve one hundred days. It was composed of the Forty-eighth Regiment, Ohio National Guard, from Richland County; Seventy-second Battalion, Ohio National Guard, from Henry County; Ninety-sixth Battalion, Ohio National Guard, from Ashland County; and the Ninety-ninth Battalion, Ohio National Guard, from Stark County. On the 13th of May the Regiment proceeded to Washington City, under orders from General Heintzelman, commanding the Department of Ohio. It was assigned to duty with headquarters at Fort Reno, D. C., where it remained until the 8th of June, when it was ordered to the front, and proceeded in transports to White House, Va., and thence to Bermuda Hundred. It reported to General Butler, at Point of Rocks, on the 12th of June, and on the 14th took part in a reconnaissance on the Petersburg and Richmond Railroad. Two hundred and fifty men of the One Hundred and Sixty-third were engaged in a severe skirmish on the 15th, and on the 16th it proceeded to Wilson's Landing, and from that point made several reconnaissances to the west side of the James. On the 29th of August the Regiment was relieved from duty, and proceeded to Columbus, O., and was mustered out September 10, 1864, on expiration of term of service.
